## Just a Phase for Phil

	Level 2
Phil had a wreck in here. To get on his bed, Phil had to climb	Core #16 15
over piles.	17
There were piles of wrinkled shirts, shorts, and pants. There	27
were piles of belts with knots in them. There were piles of	39
wrappers and paper.	42
Phil's mom did not mind the wreck. "People can have a mess	54
for a short time. This is just a phase for Phil," she said.	67
Phil liked his wreck. He felt he had a knack for making a	80
mess.	81
Phil liked to win, too. He had a knack for winning! Phil and	94
Tim wanted to have a contest.	100
They grabbed hands and gripped hard. Their knuckles hurt.	109
Their thumbs went numb.	113
Then Phil's wrist hit the desk. Phil lost. "You must do what I	126
tell you," said Tim.	130
"You must pick up the piles in here," said Tim. "Humph!" said	142
Phil as he began to wring his hands. He did not like this one bit.	157
But Phil lost. So Phil HAD to pick up the piles. And he did.	171
What would people think if he didn't?	178
"Here is a wrench!" said Phil. "Did a plumber forget it?" asked	190
Tim. "I don't know," said Phil. "Here is a phone and a stuffed	203
lamb!"	204
"What is this letter?" Phil asked. "Did a rock star write to	216
me? Did I write to a rock star?"	224
Phil picked up the wrinkled shirts, shorts, and pants. Phil	234
undid the knots in the belts. Phil picked up the wrappers and	246
papers.	247

Tim knocked and came in. "It looks so good in here!" he said.	260
"Let's take a photo!	264
"Let me use this comb first," said Phil. "This is a better	276
phase. Phil!" said his mom.	281
