

Be a Wrangler!

Level 2
Core #17

Knock! Knock! Knock! It is a fine morning, saddle pals! Is it	12
your first time here at the ranch?	19
Are you glad we are here together, partner? We hope you	30
have the best time! Write or phone home to tell your pals all	43
about it!	45
We offer horse rides here. A ranch visit is not complete until	57
you climb on a horse! Get a horse at the corral, partner.	69
These are the wranglers. Wranglers ride, and wranglers rope.	78
The wranglers will find a horse for you to ride.	88
Here is the finest horse in these parts. Her name is Little	100
Lamb. She has a knack for being charming!	108
Climb up on the horse. The wranglers will help. The wranglers	119
know the ropes.	122
Check that the knot is set. Step up here and grab the saddle	135
horn, partner. Swing that leg over and climb on.	144
Ride on Partner! We will ride together with the wranglers.	154
The wranglers go first, and we go behind.	162
Is the ranch like you hoped it would be? Look out for these	175
limbs, partner! Wrap the rope around your knuckles! Ride on!	185
That was a fine ride! You and Little Lamb look good together!	197
Can we get a photograph?	202
Climb off the horse, partner. We can brush Little Lamb, and	213
we can comb her mane. And she will like to nibble on a snack.	227
Wranglers ride, and wranglers rope. You want a rope lesson,	237
partner? Look at the wranglers with the ropes.	245
Get the knot on the rope just so. Hold your thumb, swing that	258
arm, and twist that wrist. You can rope!	266

You have a knack for this, partner! We can call you a wrangler 279
now. And it is just the first morning on the ranch! 290
