

**Pathways of Progress Analysis**

Class: \_\_\_\_\_

mCLASS: "Class Summary"- MOY or EOY

Measure to Analyze: \_\_\_\_\_

DIBELS.net: "Pathways of Progress Report"

*Instructions: Sort the class list by Benchmark Status of either Composite Score OR one of the submeasures, then record student names inside the box for which pathway they achieved at MOY or EOY. Add the total number of students in pathways 1-2, and pathways 3-4-5. Calculate the percentage by dividing the # in that box by the total number of students who have a pathway.*

		Benchmark Status = PROFICIENCY				Total Pathways of Progress↓	
		Well Below	Below	Benchmark	Above	#	%
		Pathways of Progress = GROWTH	1= Well Below				
2=Below							
3=Typical							
4=Above							
5= Well Above
